

EAGA Business Builder

Volume 10

Issue 13

eaganm.com User: member

April 1, 2014 AF Version

Recently Board Members have expressed a concern that the bulletin is arriving too long after the meeting; and that content doesn't warrant two pages- unless there are more leads. So, for now, our bulletin will arrive the afternoon after the meeting, and will be 1 page long, unless lead volume dictates more.

Today's speaker was Don Clark — Abq1

Timing of having Don as a speaker was quite beneficial. His type of business lends itself very well to getting the bulletin out quickly. Don represents a computer company that does database stuff and web sites. We are all pretty familiar with that sort of thing, so no extra comments are needed. If it turns out that you may need his services, give Don a call.

- ◆ Another policy change from management is that we will begin warning members if they are in jeopardy of suspension for any reason. Most often, members in that situation are not attending meetings, so the bulletin is the best method of providing the notice. If your name gets listed here - please see Mario right before the next Tuesday's meeting to avoid further action.

There are new situations to mention regarding the upcoming EAGA events:

- ◆ The EAGA Golf Tournament is on May 8th. Sign-up sheet from this morning was positive. Looks like everyone has an eye on that \$10M hole-in-one prize. In assigning participants to teams, it now looks like the large number of groups may require that some start quite a bit later in the day. Contact Chairman Jerry if your group would like to start after 6:00 PM and experience the different atmosphere of golfing on the newly lighted fairways.
- ◆ Summer Bash is a go for July 12th. The hope is that having the event on Saturday will allow for more of our members to attend. The venue usually has weddings on Saturday so they have requested a couple of modifications to our normal activities---but Pat and Dan have things under control. Not only will the indoor changing rooms near the pool be made available, there will also be outdoor cabanas for you to use when changing from the formal dinner attire back to your picnic duds for the games. Please help avoid awkward situations — pink cabanas are for the ladies; blue for the men.
- ◆ Chairman Damian has the Trap Shoot moving forward as well. Plan to make this fun and team building event. Mr. Lusch has even solved the problem of shotgun shell shortages that resulted from recent legislation in ammunition producing states. He has made sure that EAGA attendees will not be cheated and will get the normal number of clays. The required shell conservation will, however, mean that every fourth shot is a blank round. Great work-around, Damian.
- ◆ Congratulations to Bill McCabe for winning today's \$100 Early Arrival cash prize. Drawings will be held at 6:30 on the first Tuesday of each month. Get to the meeting before the drawing and put your name in the hat for a chance to win.
- ◆ No good leads today, so only one page. Have a great week.

Badge Board Greeter

Apr 8th Wayne Pollack — People's Flowers

Upcoming Speakers

Apr 8th Representative from United States Air Force
