September 2, 2014

September 2nd was a day off for EAGA in celebration of the Labor Day holiday. Although there was not a meeting, we still have a few reminders and notes:

- ◆ There was not a quorum in attendance at the August 19th meeting, so the vote on By Law ratification has been rescheduled for September 9th. There have not been any recent amendments to the By Laws, but we need to ratify the current version, which incorporates all prior amendments, so that it can be properly filed with the Secretary of State. The vote requires a quorum of 2/3 of the current membership in attendance for the vote to be valid.
- ◆ A reminder that our September 16th meeting will be dedicated to potential new members. Current members are encouraged to bring the representative of a possible new member company to breakfast that day. Your guest will be given an opportunity to speak briefly and to provide attendees with information about their company. The idea is to focus attention on EAGA's desire to increase membership through the addition of qualified, reputable businesses. If you intend to bring a guest, please let Mario know so that he can plan accordingly for space and food.
- ◆ A software update by our web site host has caused a problem with our ability to access the online application. If you would like an application form for a potential new member, you can use page 2 of this document, or contact Mario at hernmar129@yahoo.com or Jack Zipper at jdzipper@comcast.net
- ◆ A reminder to Board members that there will be a meeting immediately after breakfast on September 9th.
- ◆ We are in need of greeters for the last two meetings in September, and for all of October. Please check your calendar now and select one of the dates where you can assist. Contact Mario to reserve your day.
- ◆ Speakers for October and beyond are also requested. Ask Mario to schedule that date for you as well.
- ◆ The first event of our new Open House program will be on September 23rd at Maloy Mobile Storage. Address, time and other details will be provided at Tuesday's breakfast.
- ◆ Sit up straight; don't run with scissors; be early for EAGA breakfast on Tuesday; have a great weekend.
