Thank you to Kevin Lorenzen for his great leadership and direction over the past 6 months. Kevin's ideas and energy were a very positive contribution to our recent achievements. Kevin's term as President ended with the fireworks and revelry at midnight of December 31st. At that same moment Klint Hall began his term as president. We look forward to the next 6 months with Klint at the helm. He has a great understanding of the history, traditions and goals of EAGA, and Kint will be an excellent leader as we continue to move forward.

Mid-night of the new year was also a time to say thank you to Karl Kirsch and Bill McCabe as they leave the Board; and welcome to Mark Tobiassen and Nick Minetos as they start their terms.

The management of EAGA is in great hands with Mario as Executive Director, Kevin as Chairman, Klint as President, and Directors TJ Maloy, Dale Armstrong, Phil Kenny, Pat Maloy, Mark Tobaissen, and Nick Minetos,

Indeed, 2015 will be a great year! It all starts with our next meeting — this coming Tuesday, January 6th. Be there early for a little informative conversation before the meeting as well.
