Today's presentation was by ABQ1.

This morning, Don Clark, and his associates from ABQ1, presented a brief view of the new EAGA web-site including information regarding upcoming capabilities and data that will be available there. The site is still under development and it is expected to be completely functional within a few weeks.

The Membership Roster book for 2015 is in its final stages, only awaiting verification of all pertinent data. Please check your listing in the current book and make sure that Mario is aware of any needed changes. The roster book for review will be circulated again at the next meeting. Your Roster information will be used to update the website database as well, so PLEASE make sure that your information is correct.
