The speakers today were the members in the room

There was not a speaker scheduled for today, so members used the time to discuss whatever their table group wanted. I know that some of the conversations included discussions of golf; golf players; golf masters that are parents of major golf players; music today versus the real music of the Rock-and-Roll era; and an upcoming music festival that sounds like it will be a scaled down version of Woodstock. I imagine that discussions at other tables was just as fun. It is always fascinating to find out the talents, knowledge and non-work related experiences of our amazing EAGA group.

- ◆ Today was the first meeting in the term of Mr. Tom McMahon, our new President. We appreciate his willingness to serve, and look forward to Tom's guidance during his tenure. In the near future, Mr. McMahon will provide us with his vision for the next 6 months.
- ◆ As the Presidential Gavel was formally passed today, the members recognized outgoing President, Rick Reese, with a commemorative plaque noting our appreciation for his very positive leadership. He did an excellent job.. Rick has now moved to the position of Chairman of the Board.
- ◆ A note from Chairman Rick: "Last Tuesday we circulated the sign-up sheet for a Shockwave Defense training session, to be held July 20th 9am-1pm. Shockwave is located at 637 Broadway Blvd. SE. This event is listed as being for members only. This cost of this session would normally be approximately \$238. Michael Johnson will be charging EAGA \$170 per member, with the club paying \$70. So this training will cost members \$100. Originally, we had 40 members indicate some interest in attending this session. Currently, we have 12 members signed up for the training. After some discussion at our meeting, the board felt a second notice should be sent out immediately to encourage more participation in this training session. We understand that this is short notice and that we all have busy schedules. So, if you are interested in attending please let me know (cell-505/249-5709, email blueristra@yahoo.com) (Mario is out of pocket) at your earliest opportunity. "
- ◆ Don't forget that you have been invited to an open house at Document Solutions. It will be this Wednesday, July 17th at 10:00 am. Phil Houser and his crew have a very informational day planned. The event will be at DSI Headquarters facility 4121 Prospect Ave NE. Their phone number 888-386-7834.
- ◆ The EAGA Summer Bash is set for Saturday, August 24th at the home of Phil and Theresa Houser. There will be sign up sheets provided at upcoming meetings. Please mark that date on your calendar so that nothing else will conflict. You can't (OK, shouldn't) miss this party. The Bash has been held annually for nearly every one of the 60 years of EAGA... and it is ALWAYS a great time. The event is free for EAGA members and their spouse/significant other. Guests are invited, and encouraged. Cost for guests will be \$50 per person. If you have questions, or would like information that has not yet been provided, please contact one of the Bash Committee Chairmen: Pat Maloy and Dan Mowery

As noted in the lists below, we have had a very good response for badge board sign attendees, but are definitely in need of speakers. Please select one of the open speaker slots and give us an update on your company, hobbies, interests and past experiences. We would like to hear what you have to say.
