

# EAGA Business Builder

November 24, 2020

Lock down changes. Loophole closed. Only curbside if you are a non-essential product seller. But a grading system will be used next week.

## There was not a meeting today in order to provide time to celebrate the Thanksgiving holiday

The pandemic continues to weigh on everyone's mind and on all the economic activities. Regulations in our state are more restrictive than for most. But there is a lot for which to be thankful. When we are able to take a minute to ponder, we can all find many good things in our world. We hope that you have been able to take that minute, and we hope the important people in your lives are all safe, reasonably comfortable and able to laugh on a regular basis. Good wishes for a great future to all.

- ◆ Our great friend, and fellow EAGA member, Aaron Rodgers passed away last Tuesday evening. We send our condolences and our prayers to Kathy and all of Aaron's family. Aaron's health was declining and he had a very difficult 2020. But he is now in a better place. We will miss him a lot.
