Hoping you all have Happy Holiday Season ...pandemic be damned...

December 15, 2020

## Today's meeting was an open forum without a specific presentation

As we finish 2020, and head into a new year, it is anticipated that on-line meetings will be our only option for a while longer. Today's meeting discussion was primarily directed toward how we can increase the attendance for those 'virtual' meetings. There have only been between 30 and 40 members that have participated in the meetings over the past few weeks. The in-person meetings were averaging over 75 participants before the pandemic hit. In the meeting this morning, there were a few guesses as to what may be the reason for low on-line attendance, and there were a few suggestions for things that may help encourage more members to attend in the

future. There were really not any 'light bulb' ideas discovered. Since you are actually reading this bulletin, it can be assumed that your interest in the organization is still quite active. If you haven't attended very many (or any) of the EAGA online meetings, please drop us an email to provide input for your reasons. You can reply to the bulletin email; or you can contact Executive Director—Mario Hernandez via [eagaed@gmail.com](mailto:eagaed@gmail.com); current President, John Mead via [shesaidyes@johnthomasjewelers.com](mailto:shesaidyes@johnthomasjewelers.com); incoming President Mark Abramson via [losranchosguns@gmail.com](mailto:losranchosguns@gmail.com); or any of the other Board Members. It would be great to see all your smiling faces at our next meeting on January 5th.

- ◆ There will not be any more Tuesday meetings for the rest of this year so that members may instead celebrate the holidays. Our next meeting will be at 07:00am January 5, 2021. As noted, it will be via the online format. Link below:

- ◆ We will be in need of members to speak for presentations in January 2021. Please give some thought to taking one of the meetings. Maybe you have an interesting experience to share; maybe advice about how your efforts (either personal or business related) allowed you to navigate 2020; maybe another subject that would be of interest to our membership. If you can sign up for one of the slots, please let Mario know. His contact information is at the bottom of this page.
- ◆ Congratulations to Lionel Specter and his bride, Bobbie, as they celebrate their Sixty-Fifth Wedding Anniversary this coming Thursday, December 24th.
- ◆ Revel Burger (one of the restaurants in Haas Aslami's group) is donating 70% of their December 22nd receipts to the i9 Sports organization. Visit [Fundaxi.com](http://Fundaxi.com) or [revelburger.com](http://revelburger.com) for more details, or just pick up some Revel Burger food on December 22nd to participate.
- ◆ The pandemic has not yet disappeared, but our wish is that the spirit and the original meaning of the holiday are able to overshadow it all (if even for only a short while) so you and your families are able to have a very enjoyable Christmas and a positive beginning in the New Year.
