There was not a speaker lined up for today's meeting

Since no one had signed up to speak at the meeting this morning, the decision was made that it should be a 'round table discussion' day. There were a good number of members in the room, but there are not any formal records of their various discussions. It was determined, however, that a vast majority of those involved in the conversations did come to the conclusion that they were indeed seated at a round table.

- ◆ Welcome to our newest Board Member: John Woods—Phocus Real Estate. Mr. Woods will begin his term on January 1st.
- ◆ The Holiday Party was, once again, a huge success. Thank you to Mario, Jukka and all the members of the committee for planning and pulling-off of the great event. We very much appreciate their efforts in making sure that a good time was had by all.
- ◆ Next Tuesday, December 20th, will be the last EAGA meeting of 2022. Please make sure that you are there to hear whether or not President Jumisko has been able to find a loophole that will allow him to remain in office for another term.
- ◆ Around this time each year we take up a collection for the Tanoan staff who assist with providing our breakfasts every Tuesday. We will be passing the hat during the meeting on the 20th. Remember to bring cash to contribute...and please be generous.
- ◆ Note that we do not have any speakers or greeters signed up for any meetings in 2023. Contact Mario right away if you can speak on one of the available dates, or if you are willing to handle the badge board to greet arriving members.
