There was not a speaker scheduled for today

Since we did not have anyone scheduled to speak this morning, V.P. Patton decided to use the meeting time to have members at each table take some time for discussions among themselves, and the conversations could be about whatever topic(s) they felt important. After 20 or so minutes, the general consensus appeared to be that the time had been well spent. This format allowed for more back-and-forth discussions than would have been possible in a presentation format. Being in small sub-groups also provided for a greater feeling of confidentiality, so some members were more comfortable noting details of events or situations that was informative, but not really 'for public consumption'. Overall it appears that the meeting was beneficial and enjoyable. Probably the format will be used again, and possibly even specifically scheduled for an occasional meeting in the future.

The 2024 Summer Bash was, once again, a great success. Over 100 members, spouses and guests were in attendance. The En Blanc theme was evident everywhere and all participants had a great time. Thank you to all involved for making it a very fun evening. Particularly we want to thank the Bash Committee Chairmen Pat Maloy and Dan Mowery and all the members and spouses that were part of the committee. Thanks to Jerry for running the games; to Rick for making sure everyone knew who everyone else was; and to Marsha, Kathryn and Susan for the very pretty En Blanc table decorations. Also thank you to Hass and his team from Chello Grill for the superb food and excellent service; to Peggie, Brandy and Gracie for the great desserts; and to Ben "The Ice Man" for doing the best job we've experienced with that responsibility in a long time. And...Once again, congratulations to the repeat, repeat winners of the Corn Hole tournament. On page 2, there are some pictures of the setup and of activities at the event.

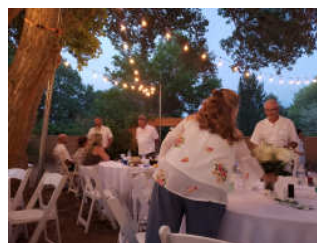

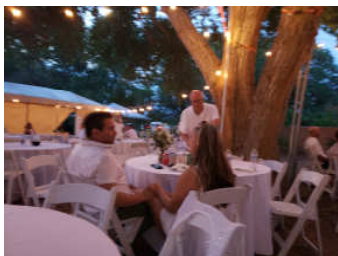

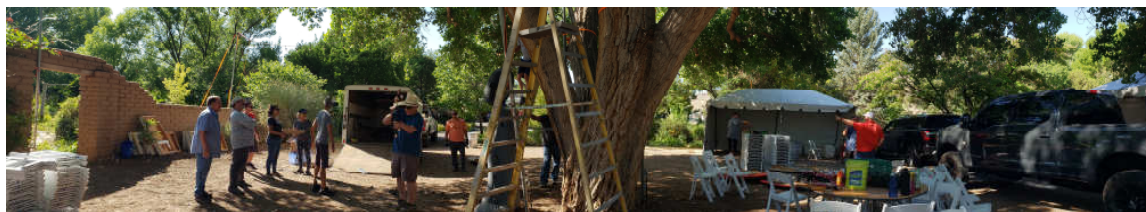

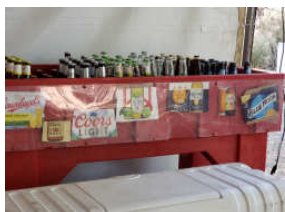

- ◆ We need greeters and speakers for our upcoming breakfast meetings. Check the available dates at the bottom of page 2 and let Mario know which slot you can fill. As you'll see, there are not any greeters scheduled for meetings after July 23rd, and there aren't any speakers scheduled for any of the meetings after July 30th. If you are apprehensive about how to go about preparing for a presentation, contact Mario or President John and they can provide you with some of the guides and suggestion sheets that are available for that.

- ◆ First announcement of a new member application:
 - LMN Associates, Inc
 - Representative: Marcus Flint
