June 17, 2025

There was not a scheduled speaker this morning. Instead, we had a 'Round Table' with the discussion focused on learning about each member and their business. There was a lot of good and interesting information, but not really the format for gathering notes (not even for AI) to present at a later time. It is another example of 'you should have been there' .

◆ There will not be a meeting on July 1st because of the 4th of July Holiday.

- ◆ Congratulations to three new Board Members who were inducted at our meeting this morning: Klint Hall, Pat Maloy and Mike Krepfl. Their terms will begin on July when they replace retiring members Tim Baca, John Mead and Andrew Sanchez.
- ◆ The EAGA Summer Bash will be on Saturday, July 12th from noon to 6:00pm. Appetizers will be available until the catered main meal is served at 2:00pm. The event is free for members and their spouse. Guests (like potential members) are encourage and their cost is \$50 a person (\$100 per couple). The theme for this year's Bash is "Big Boys Toys". Members are encouraged to show off their vintage / restored autos, trucks, motorcycles, boats, etc., or special collections. If you have a question about something you want to show off, give Pat Maloy a call 505-263-3837. The venue will be in the covered parking area of Berger Briggs Realty - 4333 Pan American Fwy NE. The location is great. There is ample space available for the 'toys', food service, sit down eating, cornhole games and mingling. Plenty of general parking is available on the street and adjacent property. Sign-up sheets will be available at Tuesday's breakfast, but note that we aren't having a meeting on July 1st, so you are almost out of opportunities to get on the Bash list. When you sign up be sure to note any items that you want to bring for showing off, and if you are bringing an item to display, please have it there by 11:00am so everything can be set up properly before participants begin arriving.

Badge Board Greeters
